ADVANCED ELECTRICAL & HVAC COURSES

****NOW OFFERED ON MONDAY NIGHTS****

MONDAY Advanced HVAC Course

6-week course that will focus on hands-on training. Each week will be a new project that builds on the 13-week HVAC Course.

6:00pm-10:00pm beginning on Monday, July 22nd

***In order to enroll, you must have already passed the 13 week HVAC course.**

***This course is not required to complete the 2-year apprenticeship program**

MONDAY Advanced Electricity Course

6-week course on Monday evenings that will build on the 13 week Electricity Course in the 2-year apprenticeship program. Topics will include conduit bending, breaker boxes and residential wiring.

6:00pm-10:00pm beginning on Monday, September 9th

***In order to enroll, you must have already passed the 13 week Electricity course.**

***This course is not required to complete the 2-year apprenticeship program**

MONDAY Heat Pump Certification

4 week course to help you understand how and why heat pumps are growing in popularity

6:00pm – 10:00pm beginning Monday, October 28th

Monday Hydrocarbon Course and Exam

2-Week Course to give HVACR professionals a solid understanding of the refrigeration cycle and proper handling of CFC, HCFC, and HFC refrigerants.

Having been approved for use in specific applications under the EPA's Significant New Alternatives Policy (SNAP), it is only a matter of time before technicians begin encountering systems utilizing hydrocarbon refrigerants in the field. It is highly recommended only experienced refrigeration professionals handle hydrocarbon refrigerants.

6:00pm-10:00pm beginning on Monday, December 2nd

***In order to enroll, you must have already received your CFC/EPA Universal License**

***This course is not required to complete the 2-year apprenticeship program**

The SEIU Local 1 Training Center is located at 120 S. Sangamon in the West Loop. Please call 312.226.1444 for more information.
